Minimum car weight update

CONCERNED ALL FR1.6 CHAMPIONSHIPS

Following the introduction of the new 2014 exhaust (Exhaust Muffler and Pipe V2014 ref: G04-06C002V3), the minimum car weight of the FORMULA RENAULT 1.6 is now ruled at **487kg (four hundred and eighty seven kilograms)** at any moment of an official event, without fuel and driver.

This new minimum car weight must now be applied to all cars entering into any Formula Renault 1.6 championship.
