PART	Fuel line, chassis, seat

Safety kit request

From the 2015 season, a safety kit will be mandatory for all FR1.6 cars including the following parts:

- Specific fuel line with Aeroquip connectors and pipes
- Higher roll hoop (+30mm)
- Extractable seat

This safety kit will be charged **1923€ (excl. VAT & transport)**.

In order to deliver these parts on time, the number of safety kits needed for each teams must be communicated **before January 2015, 17th** to the contacts below.

Following the FR1.6 championship entered, please refer the number of kits needed to your related promoter:

- FR1.6 NEC Junior: Mr Joost Custers (@: joost@mdh.nl, tel: +32 472 98 84 96)
- FR1.6 Nordic: Mr Thomas Johansson (@: thomas@pro-consulting.se, tel: +46 708 81 63 05)
